

## REMARKS

This amendment is in response to the Office Action of June 15, 2005.

Applicant confirms election without traverse of claims 1 through 9.

Claim 10 will be cancelled in due course.

Claims 1 through 9 stand rejected under 35 USC 112 on the basis of uncertainty of the statutory class of invention. The claims have been amended to recite an apparatus, i.e. processing system and accordingly it is thought the rejection is overcome.

With the above amendment, the claims 1 through 9 would appear in condition for allowance and notice thereof is respectfully requested.

Dated: June 23, 2005
